<p style="text-align: center;">The Good Christian Life</p> <p>Sitting in church hearing the man of God. Dreaming my time away Writing on the bulletin. And the preacher says not to sin So starts a good Christian day Chorus: Well I've heard it over and over again. The Lord said not to sin And I've been going to church since I was eight My father's a preacher and my mother's a saint I'm living the good Christian way.</p> <p>The preacher says stand and I grab my girl's hand She kicks me in the shin Turn from your sins. And I grab her hand again I'm living the good Christian way</p> <p>As my girl stands in grab the preacher's hand I felt sick and had to sit down Do you feel you've accepted him? "Yes preacher I have sinned" Oh, what a mess she's got me in After a few month, she was trying to get me to go up front But I kept on saying NO, NO, NO Sunday it sunk in So I turned from my sin So I'm living the good Christian way</p>	<p style="text-align: center;">Joe</p> <p>Joe, Joe come on home, the time is late and the earth is old Joe, Joe hear my cry, the Lord is coming and you can't hide People say there is no hell, the Bible's wrong and all is well But friend just take a look at me, if the Bible's wrong what happened to me? Joe, Joe come on home, the Lord is knocking at your door Joe, Joe let him in, eternal life lies with him Joe I know it's kind of rough, to say you're wrong and messed it up But we all like sheep have strayed. Jesus can wash your sins away Joe, Joe come on home, The Lord he wants you for his own Joe, Joe listen to me, the Lord he can set you free Joe, I've said about all I can to make you see he was more than a man But Joe you just won't listen to me. I pray someday that you will see Oh, Joe, Joe come on home, the time is late and the earth is old Joe, Joe hear my cry the Lord is coming and you can't hide The Lord is coming and you can't hide The Lord is coming and you can't hide</p>
<p style="text-align: center;">The Nursery Song</p> <p>One and one is two, Two and two is four Three and three is six, Jesus died alone Chorus: And you hear the children say love the Lord And you hear the people say too young to know Mommy why'd Jesus die? Mommy why'd Jesus live? Mommy why'd Jesus loves me, even though I sin? Yes Jesus loves me, Yes Jesus loves me Yes Jesus loves me, The people tell me no Daddy are you going to heaven? Daddy will I see you there? Daddy do you know Jesus? Daddy will mommy be there? A, B, C, D, E, F, G. Jesus died for you and me Preacher I want to find him. Preacher I want to say I saw my children, Praising Jesus each day And you hear the children say, love the Lord And you hear the people say, too young to A, B, C, D, E, F, G Jesus died for you and me, too young to know.</p>	<p style="text-align: center;">Samson</p> <p>Strolling down the street one day. Met a girl on the way Voice so sweet she curled my hair. So we danced and sang all night Till it was past midnight. She said, "Samson cut your hair" Well that girl she was so fine. Then she looked me right in the eye And I felt the scissors in my hair. As my curls fell down I felt like crawling in the ground. She said, "Samson cut your hair" Then I scrambled to my feet, But the guards were all over me And I saw my curls on the floor, Then they threw me out that door Well sitting in that jail, I said, "Lord help me pay my bail Lord forgive me now, I was so wrong, was so wrong" So they made me work that grind, Till I became very blink She said, "Samson cut your hair", Then they took me out for some sun, But it turned into a day of fun, And the pillars they came right down, to the ground</p> <p>So it's time to make up your mind Christians chose who you will serve</p>

<p style="text-align: center;">Picture</p> <p style="text-align: center;">Chorus: Lord paint a picture upon my heart today that won't fade away Of unity and harmony God's love, God's love Seasons pass so quickly. I watch them fade away. Dreams pass so quickly in the pressures of today Love seems so distant and lost along the way Oh Lord, renew your love today</p>	<p style="text-align: center;">Together</p> <p style="text-align: center;">Leaves falling on an autumn days, September's on its way You and I together, You and I together, You and I together, Day by day Rolling in of the morning tide, There you are right by my side You and I together, You and I together You and I together, Learning day by day The car is almost paid, Danny needs a new pair of skates You and I together, You and I together You and I together, Facing day by day God's handiwork we see, Growing old gracefully You and I together, You and I together You and I together, Old and gray Memories have all gone away, Remember we were young yesterday You and I together, You and I together You and I together, Heavens on its way</p>
<p style="text-align: center;">Jesus Set Me Free</p> <p>I went through many years of sorrow and pain Sometimes I didn't even know my name I looked for a door but I always found the floor Oh, please someone care for me I went looking for friends everywhere But all I found was pain and despair When you're down and you're out friends just ain't about Oh, please someone care for me! Then one day I asked myself Who am I? What am I? Where am i at? So I'll take my life, so I won't have to fight Oh, please someone rescue me! Then at my last plea Someone came and rescued me He died on the cross and it wasn't a loss Oh, Lord Jesus you cared for me! My Jesus he set me free, My Jesus he set me free Now I have found peace Jesus he set me free, Jesus he rescued me!</p>	<p style="text-align: center;">It Happened</p> <p>You must have told me twenty times or more You must have heard my cries of fear alone You must have told me twenty times or more My eyes were open, but my mind was closed It Happened! It Happened! You must have told me twenty times or more, You must have saw my tears My eyes were open, but my mind was closed, And now he's really here It Happened! It Happened! You must have prayed a thousand times or more You saw me wanting, but it just seemed wrong You must have prayed a thousand times or more You were right and now I know I was wrong It Happened! It Happened! You must have prayed a thousand times or more You knew he really cared You knew he'd be coming back again, And now he's really here It Happened! It Happened! You must have told me twenty times or more Told me to change my evil ways, today You must have told me twenty times or more That he would be coming back maybe, today It Happened! It Happened! Why didn't I listen to you, Why was I such a fool Why did your words just pass right through, And now its all come true It Happened! It Happened!</p>
<p style="text-align: center;">Why'd You Die For Me?</p> <p>Lord Jesus why'd you die for me? You could have been king and chosen a queen But you took instead the cross by it's nails Lord you hung there naked and pale Lord Jesus why'd you die for me? You could have been rich, yes wealthy indeed But you put aside all your riches here Lord now you're wealthy in heaven somewhere Lord Jesus why'd you die for me? You rose again, so man could be free But Lord you loved us and that's a fact I guess that's why you're coming back I guess that's why you're coming back</p>	<p style="text-align: center;">Dawn</p> <p>The sun is over the hill the mist is now lifting Music fills the air as the robin sits primping Chorus: The world is filled with the tune of dawn a new day So sing and praise the Lord for today is his day Unite, unite oh home and sing unto the Lord Sing as one so strong the glory of the Lord The key is in your hand and Christ he showed the way So sing unto the Lord or today is his day For today is his day for today is - a new day</p>
<p style="text-align: center;">Nobody Cares</p> <p>You know it's too bad about Dave, he cut his wrists with a blade He died yesterday, you know it's too bad about Dave It's too bad about Dave he died yesterday oh, why did he, why did he die Chorus: Nobody loved him, Nobody showed him, Nobody told him about you The world grows dark as our Lord returns and we must share the love of our God The world grows dark as our Lord returns oh, Christian where's your love Christian sits in a comfortable pew as the world runs away from their God Christian sits in a comfortable pew as Dave cried out for love</p>	<p>All songs © 1984, 1999 Virginia Young Musicians: Lead Vocals: Jenny Young, Sean Allen Backup Vocals: Jenny Young, Sean Allen Acoustic Guitars: Jenny Young, Sean Allen Electric Guitar: Sean Allen Drums: Jon Yoder, Sean Allen Electric Piano: Ron Galagher Synthesizer: Ron Galagher Produced by: Ron Young Engineered by: Sean Allen Recorded at: The Seventh Track Studio San Jose, CA</p>

SINGLE: Pilgrim

Pilgrim

Pilgrim, Oh pilgrim how far you have roamed
Seeking the answers of questions unknown
Still you go trav'In on roads made of lies
Seeking the answers of where to find life
Downward and downward your pathway still goes
Seeking the answers of questions unknown
Downward and downward to the depths
of your soul
Seeking the answers you already know
Pilgrim, pilgrim you stop and you pray
To medieval gods of a renaissance day
Still you feel empty without a clear way
Yet you say Jesus is not for today
Downward and downward your pathway still goes
To religious mysticism Satan's abode
Downward and downward your pathway still lies
Yet, you say Jesus is dead and not alive
Pilgrim, oh pilgrim your roamings now through
You find yourself standing in Christ's
judgment room
You bow and declare that Jesus is alive
But pilgrim or pilgrim time has passed you by
Downward and downward your pathway must go
To God's place of judgment you made
on your own
Downward and downward your pathway ends
To a place of eternity with Satan and demo friends
Pilgrim, oh pilgrim how far you have roamed
Seeking the answers of questions unknown
Still you go trav'In on roads made of lies
Seeking the answers of where to find life.
